By signing below, the Customer acknowledges and agrees that these inspections are a limited, non-invasive visual and operational evaluation of reasonably accessible components only, performed on the date listed. **These inspections do not constitute a marine survey, warranty inspection, guarantee of seaworthiness, or assurance of future performance.**

North East Marine Repair LLC makes no warranties, express or implied, including any implied warranties of merchantability or fitness for a particular purpose. Findings reflect conditions observed at the time of inspection only. Hidden, latent, or subsequently developing defects — including but not limited to freeze damage, internal engine failure, corrosion, structural deficiencies, or fuel contamination — may not be detectable.

The customer agrees that North East Marine Repair LLC's total liability for any claim arising out of or relating to this inspection, or operation of the vessel shall be strictly limited to the amount paid for the inspection service. Customer further agrees to release, indemnify, and hold harmless North East Marine Repair LLC and its employees from any claims for consequential, incidental, or indirect damages.

Customer authorizes North East Marine Repair LLC and its employees to operate, move, water test, sea trial, transport, and/or deliver the vessel as reasonably necessary for inspection or service. All such operation is performed at the owner's risk.

North East Marine Repair LLC is not responsible for loss of or damage to personal property left aboard the vessel, nor for damage caused by theft, fire, weather, acts of God, or other causes beyond its reasonable control.

Diagnostic services are professional opinions based on observable conditions at the time of evaluation. Diagnostic charges apply regardless of whether repairs are authorized or completed.
